Vertical Balers

2318

Vertical Downstroke Baler

Designed For:

*** Supermarkets * Retail Chains * Hospitals * Hotels * Malls ***

This low profile baler is ideal for limited ceiling heights or low clearance. This powerful heavy duty machine is specifically engineered for applications with limited height yet offers a 60" mill sized bale. The 2318 has all of the important safety features that make us the leader in the vertical industry.
